- Ask each leader *their* preferred method of _____.
 - Remind them you are praying for them daily.
 - Send them a note or text each week.
 - Make sure they enter their group attendance information.
 - Help them focus on our Next Steps process.
 - Help leaders feel comfortable, encourage them, and support them.

3. GROW

- Ask leaders questions like:
 - What is the one area you hope to grow in this semester?
 - How can I pray for you daily?
 - What is an area of leadership that is challenging for you?
