

# Identifying Those Around You

- What are the qualities we want to develop in as leaders and look for in potential leaders?
- How do we find out if a person has those qualities?
- How do we know if someone is ready to receive leadership development.

We start with the Next Steps process. A person's response can reveal if they are ready to receive leadership development.

Identify the potential leaders around you using this acronym.

F \_\_\_\_\_

- Is this person faithful to our church?
- Is this person faithful to your group?
- Do you see someone who is committed to seeing people experience life change?

A \_\_\_\_\_

- Is this person capable of being reached?
- Are they able to influence others?
- Are they clearly understood?
- Are they easy to work with?

T \_\_\_\_\_

- Do they listen and accept what you are showing them?
- How do they handle a small responsibility?
- Do they follow through on simple commitments?
- Are they open to suggestions or Godly instruction?

Have you identified anyone on your team, or in your group, who is F.A.T?
